Date of Birth: 21.03.1998

PROFILE

I am a Web Developer and who choses simplicity as their anthem - convey the message with an original design and in a comfortable way for the user.

EXPERIENCE

I developed several projects throughout my journey, including websites for companies. You can find them in my Github Portfolio: 

April 2020 - Present - Erasmus Student Network Portugal IT Working Group:

- Mantainance of the ESN website;
- Development of a responsible web design;
- Creation of a "Covid-19 daily updates" page using Drupal;
- Use of GitLab and GitHub.

EDUCATION

jun. 2020(11 weeks):

- CS50 Introduction to Computer Science:
 - C#, Python, mySQL.

may - oct. 2019 (300 hours):

- Free Code Camp - Responsive Web Design (HTML, CSS, JAVASCRIPT):
 - Lessons and Final Projects available on Github.

sep. 2017- jun. 2020:

Universidade de Aveiro: Bachelor in Communication.

Multimedia (HTML, CSS, Creative Cloud tools - Photoshop, Illustrator, InDesign);

New Business Opportunities (Digital Marketing - SEO, Google Analytics, Website quality);
